Yes, it is past due – unfortunately, I just received the 10/21/13 Allen Harim FOIA yesterday, so I am working on it. I'm confused as to the answer to my question and I want to be sure I understand correctly so we can respond appropriately – you only want information per the Allen Harim FOIA (located on Route 5/Harbeson Road in Harbeson), but you don't need any information per the 126 North Shipley Street in Seaford FOIA? Please explain in detail. Thank you.

Molly,

The original FOIA is for the Harbeson /Allen Family Foods-and/or Allen Harim at this location-which was on the original FOIA request, which is past due, according to FOIA response times
