PUBLIC NOTICE

Weatherization Assistance Program 2012 Grant

The Department of Natural Resources and Environmental Control (DNREC), Division of Energy and Climate, is applying for U.S. Department of Energy (DOE) Weatherization Assistance Program (WAP) 2012 program funds. The mission of WAP is to reduce energy loss and consumption in the homes of low income Delawareans, creating healthier and more comfortable homes while reducing energy bills. This application continues the work outlined in DNREC's previous Weatherization Program State Plans. The grant application requests approval to use $975,803 in carryover funds from previous WAP grants.

NOTICE OF PUBLIC HEARING

The DNREC will hold a public hearing to consider comments from the public on our 2012 Base Weatherization Program grant application. Federal regulations require DNREC to provide opportunity for public comment on any new WAP grant.

The public hearing will be held on Wednesday, May 23, 2012 at 9:00 A.M. in the Auditorium at the DNREC offices at 89 Kings Highway, Dover, DE 19901.

Copies of the proposed grant application are available for review at: the Department of Natural Resources and Environmental Control, Division of Energy and Climate, 1203 College Park Dr., Suite 101, Dover, Delaware, 19904; First State Community Action Agency, Stanford L Building, 308 N. Railroad Avenue, Georgetown, DE 19947; and Neighborhood House, Inc., 1218 B. Street, Wilmington, DE 19801. A copy of this grant application is also available on the DNREC website at http://www.dnrec.delaware.gov/energy/services/Pages/Weatherization.aspx

Anyone wishing to submit written comments as a supplement to or in lieu of oral testimony should submit such comments by close of business on May 23, 2012 via email or fax to: Ms. Anna Sanchez (email: anna.sanchez@state.de.us or by fax at 302 739-1840). For other information concerning this matter, please contact Philip Cherry, WAP Program Administrator, 1203 College Park Dr., Suite 101 Dover, Delaware, 19901, at 302-739-9068.
