Ken,

As per your request, DNREC-SIRB reviewed the following tax parcels :

- 2-34-11.00-48.00
- 2-34-11.00-50.00
- 2-34-7.00-127.00
- 2-34-7.00-130.00.

In reviewing our database, DNREC could not find environmental data regarding our program or the Tank Management Branch (TMB) on the above parcels. In the attached map, you will find the tax parcels in question highlighted in green and the SIRB sites located in RED. The TMB are marked with yellow water droplets and can be found on adjacent parcels. If you have any direct questions regarding the TMB sites, please contact TMB at 302-395-2500. If I can be of any other assistance, please let me know.
