Hi.

The attachments are, hopefully, the final final final versions of the permit and Fact Sheet.

In the permit, I added the Lat/Longs for the outfalls. Didn't do anything to the Fact Sheet.

In case anybody wants to double-check the lat/longs (especially my typing) …
I used the underlined vales below, rounded to 2 decimal places in the degrees:

	State Plane		Corpscon 6.0 Conversion from State Plane		Check USGS_Website		http://r 4.8956
