

DELAWARE
COASTAL ZONE ACT
PERMIT

NUMBER: 418

ISSUED TO: Delaware City Refining Company, LLC (Permittee)

TO PERMIT: The construction and operation of new hydrogen production equipment to enable the Refinery to enhance clean fuel production as part of its low sulfur fuels project.

SITE LOCATION: 4550 Wrangle Hill Road, Delaware City, Delaware 19706

Conditions Incorporated and Made Part of this Permit:

1. This permit is conditional upon the Permittee's compliance with all other applicable permit requirements, regulations and laws of the State of Delaware.
2. Issuance of this permit does not relieve the Permittee of the legal obligation of complying with all building permits, subdivision and other applicable code requirements of the county or municipality wherein the permitted project is located.
3. If there are significant deviations from the plan and operations approved by the Secretary, the Permittee shall notify the Secretary as soon as possible. This permit may be revoked and a new permit application required if the Secretary deems the deviation to substantially change the nature of scale of the project and to be of actually or probably harm to the purposes of the Coastal Zone Act.
4. This permit does not alter the Permittee's existing limit on crude oil throughput as established in 2004 in CZA Permit 355.
5. Within six months from the Department's issuance of the air pollution control operating permit for the new equipment, Permittee must submit to the Department acceptable documentation of meeting the offsets described in the Permittee's application.
