

DNREC
Division of Watershed Stewardship
Nonpoint Source Program

PUBLIC NOTICE

Request for Proposals

The Delaware Department of Natural Resources and Environmental Control (DNREC), Division of Watershed Stewardship, manages the Clean Water Act, Section 319 Grant, through the Division's Nonpoint Source (NPS) Program. The NPS Program is currently soliciting proposals for implementation project funding for federal fiscal year 2012. All proposals must be formatted in Microsoft Word and submitted electronically on the appropriate application form which may be obtained on the web-site below or by calling (302) 739-9922. Please submit all applications to *Sharon.Webb@state.de.us* on or before July 22, 2011.

<http://www.swc.dnrec.delaware.gov/district/Pages/319Grants.aspx>

Preference will be given to implementation projects designated in areas that have approved or draft Pollution Control Strategies or approved Watershed Plans that reduce nonpoint source pollutants responsible for impaired water quality.

Please see the NPS web site for specific criteria to be included in all project proposals. Questions and comments should be directed to:

Nonpoint Source Program
