Dear Ms. Karen Calvarese:

Good morning. I just wanted to follow-up on our call earlier this week and notify you that the Public Hearing on Congo Funeral Home's application to construct a crematory unit at its facility located at its 100 N. Cleveland Avenue, Wilmington, Delaware, New Castle County facility has been scheduled. The Virtual Public Hearing will be held on **Tuesday, August the 4th, 2020 beginning at 6pm**. A letter will also follow.

Please note that the applicant and the applicant's representatives will have the opportunity to offer testimony at the hearing on the Company's permit application. Live comments from the public will not be accepted during the virtual hearing due to its format, however the opportunity to provide comments will be provided via an online comment form, via email or USPS. The specific details on how the public may submit comments is detailed in the Public Hearing Legal Notice which is scheduled to be posted in the News Journal and Delaware State News this coming Sunday, July 12th, 2020, and will also be listed on DNREC's Public Hearing Website at <https://de.gov/dnrehearings>, beginning July 12, 2020. I have also attached a copy of the Public Hearing Legal Notice for your reference. The Department will accept public comments through Wednesday, August 19, 2020.

Should you have any additional questions, please feel free to contact me on my direct line.
