Duffield Associates, Inc.

Duffield Associates, Inc. has submitted a federal consistency certification to the Delaware Coastal Management Program (DCMP) in addition to the U.S. Army Corp of Engineers, Clean Water Act Section 404 and Rivers and Harbors Act Section 10 permit applications on behalf of Diamond State Port Corporation for the Port of Wilmington Edgemoor Delaware project (FC 2020.0043). The Coastal Zone Management Act (CZMA) six-month review period began on March 18, 2020, and was to end on September 18, 2020.

The proposed project is subject to DCMP review pursuant to the CZMA, 16 U.S.C. §§ 1451-1466, and the CZMA's implementing regulations at 15 CFR part 930, subpart D. In accordance with 15 CFR § 930.60(b), and in consideration of the parties' mutual interest that the state have additional time to fully assess the proposed project's consistency with the state's enforceable policies, the DCMP and Duffield Associates Inc. mutually agree to the following dates and to stay the DCMP CZMA six-month review period as specified herein.

The stay of the six-month review period shall begin on August 3, 2020, and will end on February 3, 2021, at which time the remainder of the six-month review period, 47 days, shall commence. The DCMP will issue its decision on or before March 18, 2021, when the remainder of the six-month review period ends.

The DCMP and Duffield Associates Inc. mutually agree that the DCMP may issue its consistency decision during the stay period and before the end of the stay if the DCMP determines it has received sufficient information. Mutual consent is required for revocation or modification (including extension) of the agreement.

We, the undersigned, agree to stay the six-month federal consistency review period as indicated above, beginning on August 3, 2020.
