

DNREC – Groundwater Discharges

LEGAL NOTICE

The Department of Natural Resources and Environmental Control's Groundwater Discharges Section (DNREC-GWDS) has rescheduled a public hearing (Docket #2020-P-W-0007) on Midway Service Inc.'s permit amendment to their Non-Hazardous Liquid Waste Transporters Permit to include Clean Delaware, Inc. as a disposal facility for septage and holding tank waste. The previously scheduled date (March 19, 2020) was postponed to protect public health during the COVID-19 outbreak.

PUBLIC HEARING

A virtual public hearing will be held on Tuesday, July 7, 2020, beginning at 6 p.m. A link to join the online virtual hearing is posted on the DNREC Public Hearings site at <https://de.gov/dnrehearings>. To access the audio-only portion of the virtual hearing, dial 1-408-418-9388 and enter event code 129 788 0816. If prompted for a password, please use MidwayAmend.

Permit Amendment for an existing State of Delaware Non-Hazardous Liquid Waste Transporter Permit

Notice is hereby given that Midway Service Inc. has applied to DNREC-GWDS for a permit amendment to include Clean Delaware, Inc. as a disposal facility for septage and holding tank waste. This permit will regulate the transportation on public roads.

For additional information on the above matters, and to review this application, visit <https://de.gov/dnrehearings> or contact Katharyn Potter, Division of Water, Groundwater Discharges Section, 89 Kings Highway, Dover, DE 19901, by phone at (302) 739-9948, or by email at Katharyn.Potter@delaware.gov.

Persons wishing to comment on the above application may do so either orally or in written form at the public hearing on March 19, 2020. In lieu of attending the public hearing, written comment may be submitted to the Hearing Officer via the online comment form at <https://dnrec.alpha.delaware.gov/public-hearings/comment-form/>, via email to DNREC.HearingComments@delaware.gov, or via USPS to the following address:
