If you have any comments, please return this memo to this office
by May 19, 2020.

A public hearing on the above applications will NOT be held unless the Secretary of DNREC determines that a public hearing is in the public interest or if a written meritorious objection to the application is received within 20 days from this notice. Please indicate in your letter whether your intention is to request a public hearing or whether you are simply providing comments for the Department's consideration. If a public hearing is desired, please be advised that a public hearing request shall be deemed meritorious if it exhibits familiarity with the application and provides a reasoned statement of the action's probable impact.
