RE: The Data Centers, LLC

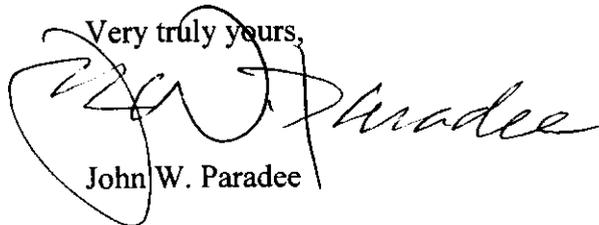

Dear Mr. Foster:

I represent the Board of Adjustment of the City of Newark (the "Board").

The purpose of this letter is to advise you that an appeal has been filed with the Board, challenging the Zoning Verification Letter (the "Letter") issued in connection with the above-referenced project by the Planning and Development Department of the City of Newark (the "Planning Department") on January 17, 2014. The Letter was issued by the Planning Department pursuant to 7 Del. C. § 6003(c)(1), as a prerequisite to the granting of an air emissions permit by the Delaware Department of Natural Resources and Environmental Control ("DNREC") to The Data Centers, LLC ("Data Centers"). Pursuant to 22 Del. C. § 325, the filing of the aforesaid appeal with the Board operates to stay the determinations set forth in the Letter.

Thank you for your time and attention to this matter. If you should have any questions whatsoever, please do not hesitate to contact me.

Very truly yours,

John W. Paradee
