

SAN 2012-17 Exhibits Listing

(Amendment to Section 10)

DNREC

Exhibit

1. Listing of the Department's Section 10 Exhibits that to be presented at the June 27, 2013 public hearing.
2. Department's Public Hearing Handouts to be distributed at the June 27, 2013 public hearing on the proposed amendment to Section 10 to 7 **DE Admin. Code** 1138.
3. EPA's proposed rulemaking to amend the area source standard (40 CFR Part 63 Subpart WWWWWW) applicable to plating and polishing operations that appeared in the June 20, 2011 Federal Register (76 FR 35806).
4. EPA's direct final rulemaking to amend the area source standard (40 CFR Part 63 Subpart WWWWWW) applicable to plating and polishing operations that also appeared in the June 20, 2011 Federal Register (76 FR 35744).
5. EPA's final rulemaking to amend the area source standard (40 CFR Part 63 Subpart WWWWWW) applicable to plating and polishing operations that appeared in the September 19, 2011 Federal Register (76 FR 57913).
6. The Department's Start Action Notice 2012-17 approving the planned amendment of Section 10 to 7 **DE Admin. Code** 1138.
7. The listing of existing Delaware sources that are potentially subject to the requirements of Section 10 and thus potentially subject to the proposed amendment.
8. The December 11, 2012 email to Dave Orr of Industraplate announcing the Department's plan to revise Section 10, as well as Section 6 that is applicable to chromium electroplating operations, which Industraplate no longer performs. A copy of the federally amended Subpart WWWWWW was attached.
9. The December 11, 2012 email to Linda Taggart of Standard Technologies announcing the Department's plan to revise Section 10, as well as Section 6 that is applicable to chromium electroplating operations, which Standard Technologies also does. Copies of the federally amended Subparts N and WWWWWW were attached as well as a listing of the new Subpart N housekeeping procedures.
10. The March 28, 2013 email to Dave Orr of Industraplate announcing the Department's plan to conduct identical public workshops on Sections 6 and 10 in Georgetown on April 23 and in New Castle on May 1. Copies of the draft Section 6 and Section 10 amendments and public workshop notice were attached.
11. The March 28, 2013 email to Linda Taggart of Standard Technologies announcing the Department's plan to conduct identical public workshops on Sections 6 and 10 in Georgetown on April 23 and in New Castle on May 1. Copies of the draft Section 6 and Section 10 amendments and public workshop notice were attached.
12. A copy of draft amendment to Section 10 that was attached to the March 28, 2013 emails sent in Exhibits 10 and 11 above.
13. The April 18, 2013 email to Dave Orr of Industraplate reminding the recipient of the upcoming identical public workshops covering revisions to Sections 6 and 10 to be held in Georgetown on April 23 and in New Castle on May 1. The public workshop notice was attached and links were provided to the two Division of Air Quality web pages to access and preview the public workshop handouts.
14. The April 18, 2013 email to Linda Taggart of Standard Technologies reminding the recipient of the upcoming identical public workshops covering revisions to Sections 6 and 10 to be held in Georgetown on April 23 and in New Castle on May 1. The public workshop notice was attached and links were provided to the two Division of Air Quality web pages to access and preview the public workshop handouts.
15. The public workshop notice as it appeared in the April 3, 2013 Delaware State News.
16. The public workshop notice as it appeared in the April 3, 2013 Sunday News Journal.
17. The DNREC Public Notice posting announcing the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
18. The Statewide Calendar of Meeting notice announcing the April 23 public workshop in Georgetown for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.

19. The Statewide Calendar of Meeting notice announcing the May 1 public workshop in New Castle for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
20. The April 8, 2013 E-News Update from DELAWARE'S OFFICE OF ENVIRONMENTAL PROTECTION announcing the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
21. Department's Public Workshop Handouts distributed at the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Section 10 to 7 **DE Admin. Code** 1138.
22. The Regulatory Flexibility Act Analysis for the proposed amendment to Section 10 to 7 **DE Admin. Code** 1138.
23. A stringency comparison of the proposed revisions to Delaware Section 10 requirements compared to the Federal revisions to the area source plating and polishing standard at 40 CFR Part 63 Subpart WWWWWW provided in Exhibit 5.
24. The DNREC Public Notice posting announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
25. The Statewide Calendar of Meeting notice announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
26. Copies of the public hearing notice as it appeared in the May 19, 2013 Delaware State News.
27. Copies of the public hearing notice as it appeared in the May 19, 2013 Sunday News Journal.
28. A copy of the extracted proposed amendment as it appeared in an authenticated PDF version of 7 **DE Admin. Code** 1138 within the June 1, 2013 Delaware Register of Regulations.
29. A copy of the register notice announcing public hearings for Sections 6 and 10 on June 27, 2013, as it appeared in the June 1, 2013 Delaware Register of Regulations.
30. The June 5, 2013 E-News Update from DELAWARE'S OFFICE OF ENVIRONMENTAL PROTECTION announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
31. A recommended change to the proposed Section 10 amendment, as it appeared in the June 1 Delaware Register, to correct the submittal date of the initial notification for new and reconstructed sources from November 11, 2009 to the effective date of this proposed amendment to Section 10.
32. Two submitted changes in the proposed amendment of Section 10 did not appear in the June 1, 2013 Delaware Register. The two technical corrections needed to correct the oversights are identified.
33. A "revised" proposed regulatory language incorporating the more appropriate submittal date of the initial notification for new and reconstructed sources identified in Exhibits 31 and the two technical corrections identified in Exhibit 32.
34. The June 10, 2013 email to David Orr of Industraplate, reminding him of the June 27 public hearing and informing him of the Department's intent to make the changes included in Exhibits 31 and 32. The email included the revised proposed regulatory language (Exhibit 33).
35. The June 10, 2013 email to Linda Taggart of Standard Technologies, reminding her of the June 27 public hearing and informing her of the Department's intent to make the changes included in Exhibits 31 and 32. The email included the revised proposed regulatory language (Exhibit 33).
36. The Division of Air Quality regulatory web page for the amendment to Section 10, as it appeared on June 20, 2013, that has been available since December 20, 2012 to allow the public to access and follow the Department's development of this amendment to Section 10.
37. Compliance Assistance Tool – The proposed revision to existing "Initial Notification" form, including instructions, to reflect the revision of the submittal date of the initial notification for new and reconstructed sources that was identified in Exhibit 31.
38. The Department's planned June 27, 2013 public hearing presentation.
