

SAN 2012-22 Exhibits Listing
(Amendment to Section 6)

DNREC
Exhibit #

1. Listing of the Department's Exhibits that will be presented at the June 27 public hearing.
2. Department's Public Hearing Handouts distributed at the June 27, 2013 public hearing on the proposed amendment to Section 6 of 7 **DE Admin. Code** 1138.
3. The health effects summary fact sheet for chromium compounds published in the EPA's "Health Effects Notebook for HAPs". The summary provides both the acute and chronic non-cancer effects and the chronic cancer effects due to the exposure to chromium compounds, including hexavalent chromium.
4. EPA's proposed rulemaking to amend the chromium electroplating and chromium anodizing standard (40 CFR Part 63 Subpart N) to incorporate the risk and technology reviews (RTR) requirements that appeared in the October 21, 2010 Federal Register (75 FR 65068).
5. EPA's second proposed rulemaking to amend the chromium electroplating and chromium anodizing standard (40 CFR Part 63 Subpart N) to incorporate the risk and technology reviews (RTR) requirements that appeared in the February 8, 2012 Federal Register (77 FR 6628).
6. EPA's final rulemaking to amend the chromium electroplating and chromium anodizing standard (40 CFR Part 63 Subpart N) to incorporate the risk and technology reviews (RTR) requirements that appeared in the September 19, 2012 Federal Register (77 FR 58220).
7. The Department's Start Action Notice 2012-22 approving the planned amendment of Section 6 to 7 **DE Admin. Code** 1138.
8. The listing of existing Delaware sources that are potentially subject to the requirements of Section 6 and thus potentially subject to the proposed amendment.
9. The December 11, 2012 email to John Blasko of Chrome Deposits announcing the Department's plan to revise Section 6, as well as Section 10 that is applicable to non-chromium plating and polishing operations, which Chrome Deposits doesn't do.
10. The December 11, 2012 email to Rita Procino of Procino Plating announcing the Department's plan to revise Section 6, as well as Section 10 that is applicable to non-chromium plating and polishing operations, which Procino Plating doesn't do.
11. The December 11, 2012 email to Linda Taggart of Standard Technologies announcing the Department's plan to revise Section 6, as well as Section 10 that is applicable to non-chromium plating and polishing operations, which Standard Technologies may also do.
12. The March 28, 2013 email to John Blasko of Chrome Deposits announcing the Department's plan to conduct identical public workshops on Sections 6 and 10 in Georgetown on April 23 and in New Castle on May 1. Copies of the draft Section 6 and Section 10 amendments and public workshop notice were attached.
13. The March 28, 2013 email to Rita Procino of Procino Plating announcing the Department's plan to conduct identical public workshops on Sections 6 and 10 in Georgetown on April 23 and in New Castle on May 1. Copies of the draft Section 6 and Section 10 amendments and public workshop notice were attached.
14. The March 28, 2013 email to Linda Taggart of Standard Technologies announcing the Department's plan to conduct identical public workshops on Sections 6 and 10 in Georgetown on April 23 and in New Castle on May 1. Copies of the draft Section 6 and Section 10 amendments and public workshop notice were attached.
15. A copy of draft amendment to Section 6 that was attached to the March 28, 2013 emails sent in Exhibits 12 – 14 above.
16. The April 18, 2013 email to John Blasko of Chrome Deposits reminding the recipient of the upcoming identical public workshops covering revisions to Sections 6 and 10 to be held in Georgetown on April 23 and in New Castle on May 1. The public workshop notice was attached and links were provided to the two Division of Air Quality web pages to access and preview the public workshop handouts.
17. The April 18, 2013 email Rita Procino of Procino Plating reminding the recipient of the upcoming identical public workshops covering revisions to Sections 6 and 10 to be held in Georgetown on April 23 and in New Castle on May 1. The public workshop notice was attached and links were provided to the two Division of Air Quality web pages to access and preview the public workshop handouts.

18. The April 18, 2013 email Linda Taggart of Standard Technologies reminding the recipient of the upcoming identical public workshops covering revisions to Sections 6 and 10 to be held in Georgetown on April 23 and in New Castle on May 1. The public workshop notice was attached and links were provided to the two Division of Air Quality web pages to access and preview the public workshop handouts.
19. The public workshop notice as it appeared in the April 3, 2013 Delaware State News.
20. The public workshop notice as it appeared in the April 3, 2013 Sunday News Journal.
21. The DNREC Public Notice posting announcing the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
22. The Statewide Calendar of Meeting notice announcing the April 23 public workshop in Georgetown for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
23. The Statewide Calendar of Meeting notice announcing the May 1 public workshop in New Castle for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
24. The April 8, 2013 E-News Update from DELAWARE'S OFFICE OF ENVIRONMENTAL PROTECTION announcing the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
25. Department's Public Workshop Handouts distributed at the April 23 and May 1 public workshops in Georgetown and New Castle, respectively, for the planned revisions of Section 6 to 7 **DE Admin. Code** 1138.
26. The Regulatory Flexibility Act Analysis for the proposed amendment to Section 6 to 7 **DE Admin. Code** 1138.
27. A stringency comparison of the proposed revisions to Delaware Section 6 requirements compared to the Federal revisions to the chromium electroplating and anodizing standard at 40 CFR Part 63 Subpart N provided in Exhibit 6.
28. The DNREC Public Notice posting announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
29. The Statewide Calendar of Meeting notice announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
30. Copies of the public hearing notice as it appeared in the May 19, 2013 Delaware State News.
31. Copies of the public hearing notice as it appeared in the May 19, 2013 Sunday News Journal.
32. A copy of the extracted proposed amendment as it appeared in an authenticated PDF version of 7 **DE Admin. Code** 1138 within the June 1, 2013 Delaware Register of Regulations.
33. A copy of the register notice announcing public hearings for Sections 6 and 10 on June 27, 2013, as it appeared in the June 1, 2013 Delaware Register of Regulations.
34. The June 5, 2013 E-News Update from DELAWARE'S OFFICE OF ENVIRONMENTAL PROTECTION announcing the June 27, 2013 public hearings in Dover for the planned revisions of Sections 6 and 10 to 7 **DE Admin. Code** 1138.
35. Technical corrections made to proposed Section 6 that were submitted to the Delaware Registrar, but that did not appear in the June 1, 2013 Delaware Register of Regulations.
36. The "revised" proposed regulatory language incorporating the technical corrections identified in Exhibit 35.
37. The June 10, 2013 email to Rita Prucino of Prucino Plating, reminding her of the June 27 public hearing and informing her of the Department's intent to make the changes identified in Exhibit 35. The email included the revised proposed regulatory language (Exhibit 36).
38. The June 10, 2013 email to Linda Taggart of Standard Technologies, reminding her of the June 27 public hearing and informing her of the Department's intent to make the changes identified in Exhibit 35. The email included the revised proposed regulatory language (Exhibit 36).
39. Compliance assistance tool developed to assist affected facilities in complying with the requirement to notify the Department of upcoming performance testing to demonstrate initial compliance.
40. Compliance assistance tool developed to assist affected facilities in complying with the requirement to notify the Department of initial compliance status following the completion of performance testing.
41. A copy of the Division of Air Quality web page, as it appeared on June 20, 2013, that was available for the public to access information on the Department's planned amendment of Section 6 and to follow the regulatory development process.
42. The Department's planned June 27, 2013 public hearing presentation.
