Re: *Rule-making Proposing Revisions to DNREC's "1147 CO2 Budget Trading Program," 7 DE Admin. Code 1147*  
17 Del. Register of Reg. 303 (Sept. 1, 2013)

Dear Hearing Officer Vest:

Pursuant to the notice posted in the September 1, 2013 Register of Regulations, and the provisions of 29 Del. C. §§ 10116 & 10118(a), I am submitting the attached post-hearing comments for consideration in the above-captioned DNREC rule-making proceeding. I ask that they may be made part of the record in the proceeding.

Two cautions. The comments have been constructed separately and contain only a footer reference to my name or other identifying information. Consequently, this cover letter should accompany them into the record. Similarly, I have also submitted (as e-mail attachments) electronic copies of the comments and this letter. Those two electronic files should also be kept linked or connected in order to identify the electronic version comments as mine.

If you have any questions, please contact me.

Respectfully submitted,

Gary Myers
