Subject: Public Hearing for the Walan Specialty Construction LLC Permit Application

Good Morning,

I am sending this email to notify you that the Department has scheduled a Public Hearing for the Walan Specialty Construction LLC Permit Application. A notice will be in the news paper this Sunday, but I wanted to contact you directly because you requested a hearing.

The hearing will take place at 6pm on Wednesday April 25, 2018 in the Pat Ellis Conference Room at the DNREC Office at 391 Lukens Drive, New Castle DE 19720. To attend the public hearing you will enter through the back door of the building.

I will be on vacation next week (April 2 through 6). Please contact Bradley Klotz (cc'd on this message) if you have questions while I am out. You can also contact me when I return.

Thank you,
Angela Marconi
Branch Manager
Engineering and Compliance Branch
Division of Air Quality
