NM0010501016500, NM0010501016800, NM0010501017000, NM0010501017100,
NM0008604010300, and NM0008604010200.

Dear Mr. Vickers:

This correspondence is submitted with the intent that it be considered as part of the hearing record for The Open Space Council's and/or DNREC's adoption of the proposed State Resource Areas and Natural Areas maps. It is submitted by PennTex LLC.

PennTex LLC is the equitable owner of the above referenced tax map parcel. The interactive maps located at <http://www.dnrec.delaware.gov/GI/GISRAMaps.htm> indicate that the Open Space Council and/or DNREC propose the possibility to identify portions of these parcels as a State Resource Area and/or a Natural Area. At this time PennTex LLC is requesting concurrence that these parcels will not be impacted by the proposed maps and designations.

Furthermore, if the above reference parcels are found to be impacted by the proposed maps and designations PennTex LLC wishes to submit the following:

It is our understanding that the legal authority cited by the Open Space Council and/or DNREC for the adoption of amended maps is Title 7 Chapter 75, Delaware Land Protection Act. These comments are based in large part on exactly what authority is provided by that Act. Therefore, it is appropriate to review what the Act actually states.

Section 7502, entitled "Declaration of policy," states in part:

MAY 05 2006

"The General Assembly finds that:

Division of Parks & Recreation
Office

- (6) It is the public policy of the State and its political subdivisions that the preservation of open spaces shall be accomplished through the acquisition of interests or rights in real property, or donation of said lands, and that said acquisition constitutes a public purpose for which public funds have been expended or advances and should be continued."

Section 7503, entitled "Purpose" further states in part:

"(a) State agencies may acquire any interest in real property for the following purposes, to carry out and expand on the intent of the conservation program described in Volume 65, Chapter 212 of the Laws of Delaware:"

"(b) State agencies may acquire property or rights in real property pursuant to this chapter by the use of direct acquisition for cash, by purchase money mortgage, by installment sale or by other methods or incentives as determined by the Secretary after consultation with the Secretary of Finance. State agencies shall not exercise the "right of eminent domain" to carry out the provisions of this chapter."

Section 7504, entitled "Definitions" further states in part:

"(8) "Permanent protection" means the acquisition by purchase, gift, grant, bequest, devise or otherwise the fee or any lesser interest, development right, easement, covenant or other contractual right in real property in perpetuity necessary to achieve the purposes of this chapter."

"(9) "Project" means the planning for, and the acquisition and development of property, undertaken to achieve the purposes of this chapter."

As equitable owners of the above cited tax parcel PennTex, LLC has no intention of selling, gifting, granting, bequeathing or otherwise providing any State Agency any interest in the real property to achieve the purposes of Title 7 Chapter 75. That being the case, there is no legal basis provided by Title 7 Chapter 75 for either the Open Space Council and/or DNREC to identify any portion of this parcel in the amended maps as State Resource Area and/or Natural Area. Therefore, PennTex, LLC specifically request that all indications of State Resource Areas and/or Open Space areas be removed from the above cited parcel prior to the adoption of the amended maps.

Sincerely:

PennTex, LLC
