Subject: Work Group Meeting Minutes - Regulation 1131 - SB215 Amendments

Please find attached the meeting minutes from last night's Work Group Meeting on amendments to Regulation 1131. If you should have any additions or corrections, please do not hesitate to send them to me.

These meeting minutes will also be posted on DNREC's Division of Air Quality website for proposed regulations - <http://www.awm.delaware.gov/Info/Regs/Pages/R1131SB215.aspx> .

A second Work Group meeting has been suggested to present the proposed language for Section 8 along with presenting the fee schedule as required by SB215. This meeting will be schedule in Dover to encourage representatives from Kent and Sussex County to attend.
