**Subject: Remedial Investigation Report for Operable Unit 2  
Burton Island Historical Ash Disposal Area, DE-1399  
NRG-Indian River Power LLC**

Dear Mr. DeCowsky:

Indian River Power, LLC, a wholly-owned subsidiary of NRG Energy (NRG), respectfully submits this Remedial Investigation Report (RIR) to the Department of Natural Resources and Environmental Control (DNREC) Site Investigation and Remediation Branch (SIRB) for review. As requested during development of the Remedial Investigation Work Plan, we are submitting 4 bound and 1 unbound hard copies of the RIR and one CD containing the PDF files. Also as requested, the PDFs are unsecured and portioned into individual files of 10 megabytes or less.

We appreciate your past reviews and your timely attention to this submittal. Please contact me with questions or for additional information at 302.540.0327 or via email at david.bacher@nrgenergy.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Bacher". The signature is fluid and cursive, written over a light blue horizontal line.

David Bacher  
Regional Manager, Environmental Business  
NRG Energy
