UPCOMING AIR, WASTE, & WATER-RELATED HEARINGS, MEETINGS, & EVENTS

BOARD OF CERTIFICATION FOR WASTEWATER OPERATORS MONTHLY MEETING – This is a regular monthly meeting of the Board of Certification for Wastewater Operators. Meeting will take place on **March 7** from 9am to 10am at the Richardson & Robbins Building, Conference Room B172, 89 Kings Hwy, Dover 19901. For additional information contact Faye Wheeler at (302) 739-9946; or visit:

<https://publicmeetings.delaware.gov/Meeting/39377>

WATER WELL LICENSING BOARD MEETING – Meeting will take place on **March 14** from 9:30am to 12pm at DNREC Conference Room **B172**, 89 Kings Highway, Richardson and Robbins Building Dover, 19901. For additional information contact Lori Foraker at 302-739-9944 or visit:

<https://publicmeetings.delaware.gov/Meeting/51301>

DELAWARES ENVIRONMENTAL MITIGATION PLAN- This meeting will be held on **March 23** beginning at 6pm at 100 W Water St, Dover 19904. On October 25, 2016, a Partial Consent Decree was finalized between the United States Justice Department, the Volkswagen (VW) Corporation, and its subsidiaries regarding the installation and use of emissions testing defeat devices in over 500,000 vehicles sold and operated in the United States beginning in 2009. Use of these defeat devices has increased air emissions of nitrogen oxide (NOX), resulting in adverse impacts to air quality and violating the federal Clean Air Act. In response to the Settlement, the Division of Air Quality has developed a proposed mitigation plan to accept and distribute these funds to eligible projects. The proposed plan is focused on the eligible types of mitigation actions that can produce the greatest air quality benefit in terms of NOX emission reductions, reduce public exposure, and promote clean vehicle technologies. The plan is expected to have a significant positive impact on Delaware; DAQ is requesting input from the public to help develop a final mitigation plan prior to taking any formal action. Public comments are being accepted until **April 3**. Written comments may be sent to

VW_Mitigation_Plan@state.de.us or mailed to: Division of Air Quality, State Street Commons, 100 W. Water Street, Suite 6A, Dover, DE 19904. For more information visit:

<https://publicmeetings.delaware.gov/Meeting/51374>

WATER SUPPLY COORDINATING COUNCIL MEETING - The Council will hold a meeting on **March 30** from 10am to 12pm at the Kent County Administration Complex, Conference Room 220, 555 Bay Road, Dover, 19901. For additional information, please contact Kimberly Burris at (302) 739-9945; or visit:

<https://publicmeetings.delaware.gov/Meeting/51191>

BOARD OF CERTIFICATION FOR WASTEWATER OPERATORS MONTHLY MEETING – This is a regular monthly meeting of the Board of Certification for Wastewater Operators. Meeting will take place on **April 4** from 9am to 10am at the Richardson & Robbins Building, Conference Room

B172, 89 Kings Hwy, Dover 19901. For additional information contact Faye Wheeler at (302) 739-9946; or visit:

<https://publicmeetings.delaware.gov/Meeting/39380>

BOILER SAFETY COUNCIL MEETING – Meeting will discuss proposed regulation changes and will take place on **April 5** beginning at 10am at the Cannon Building, 1st floor, 861 Silver Lake Blvd, Dover, 19904. For additional information contact Alex Rittberg at 302-395-2500; or visit:

<https://publicmeetings.delaware.gov/Meeting/51236>

ON-SITE SYSTEMS ADVISORY BOARD MEETING – This is a regular monthly meeting that will be held on **April 5** from 9:15am to 11:30am at the Richardson and Robbins Building, Conference Room B228: 89 Kings Highway, Dover, 19901. For additional information, contact Dawn Dryden, 302-739-9948; or visit:

<https://publicmeetings.delaware.gov/Meeting/50645>

OPT-IN! THE DELAWARE DIVISION OF AIR QUALITY (DAQ) is committed to working with citizens to continuously optimize Delaware’s air quality and protect public health, welfare, and the environment. To determine that the DAQ is meeting the air quality needs of the citizens across the state, we encourage you to participate in our opt-in list. In the future you will receive surveys that will allow us to analyze our performance. You can access the opt-in list by clicking:

https://survey.co1.qualtrics.com/jfe/form/SV_1RGZGUYt8fSuqkB

AIR QUALITY PERMITTING PROGRAM – Notice has been given that the facilities listed below have submitted applications for air quality management permits. The applications, the “draft/proposed” permits, all materials that the applicant has submitted (other than those granted confidential treatment under DNREC rules), and a copy of summary of other materials, if any, considered in preparing the “draft/proposed” permit, may be inspected at the offices of the Division of Air Quality, 100 W. Water Street, Suite 6A, Dover, 19904. **All comments and public hearing requests** should be mailed to the following address: DIVISION OF AIR QUALITY, 100 W. Water Street, Suite 6A, Dover 19904. To submit comments, for additional information, or for an appointment to inspect the application, please contact Penny Gentry at (302) 739-9402.

NOTICE HAS BEEN GIVEN that Middletown Materials, LLC, requests a permit amendment to operate one (1) 425 horsepower Nordberg Lokotrack Crusher at Fitzgerald’s Auto Salvage located at 17115 Fitzgeralds Road, Lincoln, Sussex County. The Lokotrack Crusher will be permitted to emit 3.73 TPY NO_x, 0.58 TPY CO, 0.07 TPY THC, 0.05 TPY PM, and 0.005 TPY SO_x by Permit: APC-2002/0738-OPERATION (SM) (Amendment 5). A public hearing on any of the above applications will NOT be held unless the Secretary receives a request for a hearing regarding that application by **March 13**. A request for a hearing shall be in writing. The request must also show a familiarity with the application and a reasoned statement of the permit’s probable impact. For more information visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3644&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

PUBLIC MEETING NOTICE Delaware’s Environmental Mitigation Plan.

On October 25, 2016, a Partial Consent Decree was finalized between the United States Justice Department, the Volkswagen (VW) Corporation, and its subsidiaries regarding the installation and use of emissions testing defeat devices in over 500,000 vehicles sold and operated in the United States beginning in 2009. Use of these defeat devices has increased air emissions of nitrogen oxide (NO_x), resulting in adverse impacts to air quality and violating the federal Clean Air Act. The VW Environmental Mitigation Trust has been established as part the Settlement. States are to identify and provide funds to projects that mitigate air quality impacts from high emitting diesel vehicles and engines. The State of Delaware’s share of the Environmental Mitigation Trust is approximately \$9 million. The Trust establishes a process to administer and receive the funds

and identifies 5 categories of eligible mitigation actions. In response to the Settlement, the Division of Air Quality (DAQ) has developed a proposed mitigation plan to accept and distribute these funds to eligible projects. The proposed plan is focused on the eligible types of mitigation actions that can produce the greatest air quality benefit in terms of NOX emission reductions, reduce public exposure, and promote clean vehicle technologies. DAQ is announcing a public meeting and a public comment period on the proposed state mitigation plan. The mitigation plan is expected to have a significant positive impact on the State of Delaware; therefore the DAQ is requesting input from the public to help develop a final mitigation plan prior to taking any formal action. This meeting is not a solicitation for projects under the mitigation plan. Public comments are being accepted until Close of Business **April 3**. Written comments may be sent to VW_Mitigation_Plan@state.de.us or mailed to: Division of Air Quality, State Street Commons, 100 W. Water Street, Suite 6A, Dover 19904. For additional information on this public meeting, please contact Deanna Cuccinello at 302-739-9402. THIS IS THE ONLY TIME THIS NOTICE WILL APPEAR. For more information visit: <http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3641&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

WHS - SITE INVESTIGATION AND RESTORATION SECTION (SIRS) is responsible for the identification, evaluation, and remediation of sites in Delaware that have had past releases of hazardous substances. The section manages the contaminated sites under three major programs in accordance with the Hazardous Substance Cleanup Act (HSCA). The three programs are the **Brownfields Development Program, the Voluntary Cleanup Program (VCP), and the HSCA Enforcement Program** (for sites requiring enforcement action).

The Brownfields Development Program encourages the cleanup and redevelopment of vacant, abandoned, or underutilized properties, which may be contaminated. A party seeking to develop such a property negotiates with SIRS for a **Brownfields Development Agreement (BDA)** to perform an investigation and, if necessary, a remedial action or remedy, for the purpose of addressing the risks posed by past releases of hazardous substances at these sites. However, a BDA is only available to parties that are not current site owners. The **Voluntary Cleanup Program (VCP) Agreement** is available to site owners who want to clean up their sites and are already liable as a potentially responsible party for the site.

Notification of Negotiations Concerning a Voluntary Cleanup Program Agreement for the 201-213 N. Tatnall Street Site (DE-1645). The Department is negotiating a VCP Agreement with Wilmington River Views LLC regarding the 201-213 N. Tatnall Street Site (Site) located at the same address and 305 W. 2nd Street in Wilmington. The approximate 0.283 acre Site is identified on the maps of New Castle County as seven tax parcel numbers: 26-043.10-053, -054, -055, -056, -057, -058 and -059. The Site may have had a release of hazardous substances as a result of past industrial use at the Site. The comment period ends on **March 19**. For additional information, please contact the project officer, Stephanie Gordon, at (302) 395-2600; or visit: <http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3637&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

NOTIFICATION OF NEGOTIATIONS FOR A BROWNFIELD DEVELOPMENT AGREEMENT FOR THE PB WILMINGTON RF 228 SITE (DE-1640). The Department is negotiating a BDA with PB Wilmington LLC regarding the PB Wilmington RF 228 Site (Site) located at 516 and 518 A Street and a portion of 220 A Street in Wilmington. The 3.74 acre Site is identified on the tax maps of New Castle County as parcel numbers 26-050.00-068, 26-050.00-030 and a portion of 26-050.00-083. The Site may have had a release of hazardous substances as a result of past use as an auto salvage yard/junkyard. The comment period ends on **March 25**. For additional information contact the DNREC-SIRS Project Manager, Meghan Crystall at (302) 395-2600 or Meghan.Crystall@state.de.us; or visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3660&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

The Proposed and Final Plans of Remedial Action listed below outline site cleanup activities and covenants and are available online at:

<http://www.dnrec.delaware.gov/whs/awm/SIRB/Pages/SIRBPlans.aspx> under “Announcements.” For site-specific information, please see DNREC’s Environmental Navigator at: <http://www.nav.dnrec.delaware.gov/DEN3>

PROPOSED PLAN OF REMEDIAL ACTION FOR THE 4928 & 4929 North DuPont Highway Dover, Delaware Site (DE-1627).

The Department invites public comment on a proposal to clean up the 4928 & 4929 North DuPont Highway site located in Dover. The Site was historically used for agricultural and commercial/industrial purposes. Most recently, the Site operated as an automotive repair shop and salvage yard. The Site requires capping with either hardscaping (concrete or asphalt) or a two-foot cap of DNREC approved clean fill, the filing of an environmental covenant limiting interference with the remedy and groundwater withdrawal, and the design and the installation of a soil gas vapor mitigation system in the areas of occupied space within each of the proposed future buildings. The comment period ends on **March 20**. For additional information, please contact Wendy March, Project Manager, at (302)395-2600; or visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3645&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

PROPOSED PLAN OF REMEDIAL ACTION FOR THE SHUSTER’S AUTO SALVAGE SITE (DE-1178).

The Department invites public comment on a proposal to clean up the Shuster’s Auto Salvage Site located at 601-603 South Market Street in Wilmington. The Site, once used as salvage/junkyard requires a Remedial Action Work Plan, cap, Environmental Covenant, Contaminated Materials Management Plan, and Long Term Stewardship Plan. The comment period ends on **March 25**. For additional information, please contact Meghan Crystall, Project Manager, at (302)395-2600 or email at meghan.crystall@state.de.us; or visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3650&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

SOLID AND HAZARDOUS WASTE MANAGEMENT SECTION - The Solid and Hazardous Waste Management Section (SHWMS) hereby gives notice that a permit application has been received from the following companies to transport regulated RCRA hazardous and/or non-hazardous solid wastes in, out of, or through the State of Delaware. The renewal application and associated documents are available for review during business hours at our agency Solid & Hazardous Waste Management Section office at 89 Kings Highway, Dover and also at our Lukens Drive office at 391 Lukens Drive in Wilmington.

Permits Pending

All Image Inc.; D.E. Leager Construction, Inc.; DE Trash Services, LLC; MHP Investments, LLC; Micucio Brothers, Inc.; National Transfer, Inc.; Trego Excavating, Inc.; Veteran Opportunity Partners. For additional information or an appointment to inspect the applications, please contact Tara Grazier, DWHS/SHWMS, 89 Kings Hwy, Dover, 19901, 302.739.9403. A public hearing concerning these applications will NOT be held unless the Secretary, in care of Karen J’Anthony, receives a meritorious request for a hearing by **March 17**. A request for a hearing must be in writing and shall state the nature of the issues to be raised at the hearing. It must also show a

familiarity with the application and a reasoned statement of the activity's probable impact. For more information visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3652&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

DIVISION OF WATER - GROUND WATER DISCHARGES -The Division of Water hereby gives notice that the applications below are available for inspection or copies may be obtained by contacting: Kathleen Saunders, Ground Water Discharges, 89 Kings Highway, Dover 19901, or by calling (302) 739-9948. A public hearing on the applications will NOT be held unless the Secretary determines that a public hearing is in the public interest or if a written meritorious objection to the application is received by **March 13**. A public hearing request shall be deemed meritorious if it exhibits a familiarity with the application and provides a reasoned statement of the action's probable impact. For more information visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3647&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

Formal Waiver

Joe Donovan has applied for a Formal Waiver to construct an on-site wastewater treatment and disposal system on his property that does not meet soil limiting zone requirements currently set forth in the Regulations Governing the Design, Installation and Operation of On-Site wastewater treatment and Disposal Systems in Delaware. The property is located on the southeast side of Rt. 36 approx. 400' south of Woodbridge Road, Sussex County, tax parcel # 5-30-13.00-20.04. The proposed system would be an elevated sand mound with advanced nitrogen removal that meets PSN3 standards. The proposed system would serve a single family dwelling with a design flow not to exceed 600 gallons per day.

Herbert Holdings, LLC has applied for a Formal Waiver to construct an on-site wastewater treatment and disposal system on their property that does not meet soil limiting zone requirements currently set forth in the Regulations Governing the Design, Installation and Operation of On-Site wastewater treatment and Disposal Systems in Delaware. The property is located on the east side of Donovan's Road, north of the Penn Central Rail Road tracks, Sussex County, tax parcel # 1-35-14-104.00. The proposed system would be an elevated sand mound with advanced nitrogen removal that meets PSN3 standards. The proposed system would serve a proposed office building for Donovan's Salvage Yard, with a design flow not to exceed 600 gallons per day.

Non-Hazardous Liquid Waste Transporters Permit Amendment

DL George & Sons Transportation Inc. has applied to the Groundwater Discharges Section for an amendment to their Non-Hazardous Liquid Waste Transporters Permit OH-650 to allow for the transport of other non-hazardous liquid waste (chicken manure) to be disposed of at the Southern Solid Waste Management Center (Georgetown).

DIVISION OF WATER - SURFACE WATER DISCHARGES – The Division of Water hereby gives notice that the following permit applications have been received.

Wastewater Facilities Construction Permit Application

City of Milford to construct the S.E. Milford regional sewage pump station, with dual submersible sewage pumps, associated piping, valves, controls and related facilities, approximately three thousand, three hundred and thirty two linear feet of six inch (3,332 LF of 6") C909 force main. The pump station will be located approximately 2,000 feet south of the intersection of Cedar Creek Road (Route 30) and Wilkins Road (Route 206). Sewage from this pump station will be pumped via a new 6 inch force main extending north and east along Cedar Creek Road (Route

30) and Wilkins Road (Route 206) and discharge into an existing 8 inch diameter gravity system within the West Shores residential development, City of Milford, Sussex County. Questions regarding the applications and plans for the above are available for inspection by contacting: Dr. Davison Mwale (PhD), Environmental Finance, Office of the Secretary, 5E Reed Street, Suite 200, Dover, 19901, (302) 739-9941. A public hearing concerning the above application will NOT be held unless the Secretary determines that a hearing is in the public interest or if a written meritorious request for a hearing is received on or before **March 15**. A request for a public hearing shall be deemed meritorious if it exhibits a familiarity with the application and provides a reasoned statement of the permit's probable impact. For more information visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3640&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

Wilmington University plans to construct a sanitary sewer pump station and force main to serve a proposed three story 60,000 s.f. Building located at 30 Beaver Valley Road southeast of the intersection of Beaver Valley Road and Concord Pike in Wilmington, Delaware. The project includes two (2) grinder pumps, back-up power and approximately eighty linear feet (80 L.F.) of 1.5 inch diameter force main. The proposed force main is going to interconnect with a proposed gravity sewer system within the campus. Questions regarding the applications and plans for the above are available for inspection by contacting: Keith Kooker, P.E. Environmental Finance, Office of the Secretary, 5E Reed Street, Suite 200, Dover, 19901, (302) 739-9941. A public hearing concerning the above application will NOT be held unless the Secretary determines that a hearing is in the public's interest or if a written meritorious request for a hearing is received on or before **March 19**. A request for a public hearing shall be deemed meritorious if it exhibits a familiarity with the application and provides a reasoned statement of the permit's probable impact. For more information visit:

<http://www.dnrec.delaware.gov/Lists/Public%20Notices/DispForm.aspx?ID=3651&Source=http%3A%2F%2Fwww%2Ednrec%2Edelaware%2Egov%2FLists%2FPublic%2520Notices%2FAllItems%2Easpx&ContentTypeld=0x010034FD6D348B0CF04392485E93FC15AB3A>

DIVISION OF WATER - WATER SUPPLY - The Division of Water hereby gives notice that the following Well permit application has been received. For additional information concerning the applications below, please contact Allison Diggins/Water Supply Section - 89 Kings Highway, Dover, 19901; or by phone at (302)739-9945. A public hearing on the above applications will NOT be held unless the Secretary determines that a public hearing is in the public interest or if a written meritorious objection to the application is received by **March 13**. A public hearing request shall be deemed meritorious if it exhibits a familiarity with the application and provides a reasoned statement of the action's probable impact. For more information visit:

Allocation Permits

Stafford Farms, LLC has requested an irrigation allocation for a proposed irrigation well. The requested daily withdrawal is 720,000 gallons per day. The well will be located northeast of Frederica in Kent County, near the intersection of Old Bowers and Bowers Beach Roads. Tax Map Parcel SM-00-123.00-01-23.00.000.

Adam Dickerson has requested an irrigation allocation for a proposed irrigation well. The requested daily withdrawal is 720,000 gallons per day. The well will be located west of Laurel in Sussex County, near the intersection of Watson and Ellis Grove Roads. Tax Map Parcel 4-32-06.00-0033.01.

Fry Farms, Inc. has requested an irrigation allocation for a proposed irrigation well. The requested daily withdrawal is 972,000 gallons per day. The well will be located northeast of Ellendale in Sussex County, near the intersection of Union Church and Staytonville Roads. Tax Map Parcel 2-30-26.00-0012.00.

Allocation Permits

Sayre Baldwin Inc. has requested an irrigation allocation for two proposed irrigation wells. The requested daily withdrawal for each well is 864,000 gallons per day. The wells will be located west of Bridgeville in Sussex County, near the intersection of Barnes Road and Road 563. Tax Map Parcels 1-31-10.00-0017.01 and 1-31-10.00-0030.00.

Garey Farms, LLC has requested an irrigation allocation for two proposed irrigation wells. The requested daily withdrawal for each well is 720,000 gallons per day. The wells will be located southwest of Frederica in Kent County, near the intersection of Roesville Road and Road 35. Tax Map Parcel SM-00-140.00-01-76.00.000.

Garey Farms, LLC has requested an irrigation allocation for a proposed irrigation well. The requested daily withdrawal is 432,000 gallons per day. The well will be located south of Harrington in Kent County, near the intersection of Tower Hill Road and South DuPont Highway. Tax Map Parcel MN-00-187.00-01-35.00.000.

L & J Farms LLC has requested an irrigation allocation for two proposed irrigation wells. The requested daily withdrawal for each well is 144,000 gallons per day. The wells will be located northwest of Greenwood in Kent County, near the intersection of Cattail Branch and Gallo Roads. Tax Map Parcel MN-00-191.00-01-30.00.000.

Vincent Farms, Inc. has requested an irrigation allocation for a proposed irrigation well. The requested daily withdrawal is 144,000 gallons per day. The well will be located southeast of Laurel in Sussex County, near the intersection of Salt Barn and Gordy Roads. Tax Map Parcel 3-32-08.00-0014.00.

Carlisle Farms, Inc. has requested an irrigation allocation for two proposed irrigation wells. The requested daily withdrawal for each well is 504,000 gallons per day. The wells will be located north of Bridgeville in Sussex County, near the intersection of Dale Farm and Adams Roads. Tax Map Parcel 5-30-16.00-0013.00.

A public hearing on the above applications will NOT be held unless the Secretary determines that a public hearing is in the public interest or if a written meritorious objection to the application is received by **March 20**. A public hearing request shall be deemed meritorious if it exhibits a familiarity with the application and provides a reasoned statement of the action's probable impact. For more information visit:

Marina Permit and Subaqueous Lands Lease Application

Tangled Lines Condominiums-To reconfigure an existing marina by installing a 4 foot wide by 30 foot long pier extension, a 6 foot wide by 30 foot long dock, and a boat lift with 4 associated pilings in the Rehoboth Bay at 101 Vista Road, Dewey Beach.

Subaqueous Lands Lease Supplemental Application

Perdue Grain & Oilseed, LL-Repair/Replace six mooring dolphins in the Nanticoke River at the Perdue facility at 1001 Nanticoke River, Seaford, Sussex County.

Subaqueous Lands Permit Application

Acton Development, Inc. - To install a 63 foot long rip-rap revetment and a 5 x 20 foot long dock in the Bethany Beach Canal at 313 Maryland Avenue, Phillips Landing, Bethany Beach, Sussex County.

Charles Crabtree-To construct a 5 x 7 foot long linear dock extension and a 4 piling platform lift in the Salt Pond located at 209 Pond View Drive, Ocean View, Sussex County.

Subaqueous Lands Lease Application

Hometown Rehoboth, LLC-To install a 10 x 15 foot long kayak ramp in Rehoboth Bay adjacent to Bay Drive and B Street in Rehoboth Bay Community, Rehoboth Beach, Sussex County.

Subaqueous Lands Lease, Marina Permit and Water Quality Application

Bayville Communities, LLC-To construct a new 25 slip marina with a 2 feet width expansion on the existing 28 feet long pier, an 8 by 42 foot long dock extension, a 6 by 188 feet long pier, ten (10) 4 by 24 foot long finger piers, an 8 by 54 foot long dock, 27 mooring pilings, an 8 foot wide by 24 foot long floating dock; repair by constructing 450 linear feet of bulkhead and 12 linear feet of breakwater bulkhead immediately in front of the existing bulkhead, remove 68 linear feet of bulkhead, remove two timber groins and one repaired by replacement with 32 linear feet of rippapped groin, and 24 cubic yards of beach fill in the Little Assawoman Bay and an adjacent lagoon located at the terminus of Ashlyn Road, Selbyville, Sussex County.

NOTICE OF SECRETARY'S DECISION

The Secretary has issued Secretary's Order Number 2017-W-0006 which authorizes Stephen and Johanna Owsiany to perform the following activities: To construct a 4 foot wide by 220 foot long pier, a 6 foot wide by 30 foot long linear dock, and a boat lift with 4 associated pilings impacting 1,004 square feet of public subaqueous lands in the Indian River adjacent to 32472 River Road, Millsboro, Sussex County. The public hearing on the application was held on July 11, 2016. The Secretary's Order is available for public inspection at the Wetland and Subaqueous Lands Section, 89 Kings Highway, Dover. Any person whose interest is substantially affected by this Order may appeal to the Environmental Appeals Board, as set forth in 7 Del.C. §6008 by **March 14**. For additional information, please call 302-739-9943; or visit: <http://www.dnrec.delaware.gov/Info/Documents/Secretarys-Order-No-2017-W-0006.pdf>

EMPLOYEE NEWS

Effective **March 3**, Stacy Jones, an Administrative Specialist III in the Waste and Hazardous Substances, Director's Office has resigned her position to pursue an opportunity with the Department of Health and Social Services. **We wish her well.**

Effective **March 6**, Tracy Spinden has accepted a lateral transfer from Solid and Hazardous Waste Management Section to Tanks Management Section, replacing Eric Borden. She will be working both in the office and in the field doing compliance evaluations of existing UST facilities, new installations, retrofits, and tank removals. **Congratulations!**
