[2] **Physical location – Street Address:** 1617 Greenleaf Lane

City, State, Zip Code : Wilmington, DE 19735

Address where compliance records are kept, if different than the physical location

Street Address: _____

City, State, Zip Code: _____

[3] **Name of Owner or Operator:** Hannah Cruise

Mailing Address: P.O. Box 1776

City, State, Zip Code: Wilmington, DE 19735

[4] **Is the facility subject to Section 14 of Regulation 1138?**

Check appropriate box

Yes No

[5] **Is the miscellaneous parts or products surface coating operation a new affected source or an existing affected source?**

Check applicable box

New affected source
 Existing affected source

[6] **Provide a brief description of the miscellaneous parts or products surface coating operation. The description must include the number of spray booths and preparation stations and the number of painters usually employed at the operation.**

East Coast Furniture conducts spray coating operation at its Greenleaf facility. East Coast manufactures and markets metal seating forms (chairs, benches, etc.), all of which are spray painted.

There are two 10 ft x 20 ft x 10 ft high spray booths; both booths have four sides and a roof and are equipped with fume collection system with integral filter housing with multiple removable filter media. Only HVLP spray guns are used at this facility.

Currently, there are 2 painters and there is no plan to add additional painters in the near future.

Initial Notification

Emission Standards for Area Source Miscellaneous Parts or Products Surface Coating Operations

For
Existing
Sources

Name of the facility: East Coast Furniture Company

Compliance Status Instructions:

If owner or operator indicated that the miscellaneous parts or products surface coating operation was an existing affected source in Item 5 on page 1, the owner or operator has two options for reporting the compliance status of the affected miscellaneous parts or products surface coating operation.

1. If the affected miscellaneous parts or products surface coating operation is already in compliance with all applicable requirements of Section 14, the owner or operator may check the “Yes” box in Item 7 below and complete the compliance certification in Item 8 below. If the owner or operator elects to follow this option, the owner or operation **does not have to submit** the “Notification of Compliance Status” required under 14.7.2 of Section 14.
2. The owner or operator may check the “No” box in Item 7 below, leaving Item 8 blank. If the owner or operator elects to follow this option, the owner or operation **must submit** the “Notification of Compliance Status” required under 14.7.2 of Section 14 no later than March 11, 2011.

[7] **Are the miscellaneous parts or products surface coating operations at the facility already in compliance with all applicable requirements of Section 14?**

Check applicable box

Yes and this form also serves as the notification of compliance status

No, but the miscellaneous parts or products surface coating operations will be in compliance by January 10, 2011

[8] **Certification of Initial Compliance**

- a The owner or operator of the affected miscellaneous parts or products surface coating operations shall certify initial compliance with Section 14 of Regulation 1138 by checking (✓) the following compliance statement.

Certify initial compliance for existing affected miscellaneous parts or products surface coating operations, by checking following box

✓ The owner or operator certifies that the affected miscellaneous parts or products surface coating operations are in compliance with all applicable requirements of Section 14 of Regulation 1138.

b **I certify that all the information contained in this notification is true, accurate, and complete.**
