**Subject:** NSR - An Alternate Path - Cancellation of 1/23/07 Review Committee Meeting

Where have you heard this before! The 1/23 meeting is cancelled, BUT, **we are on track for the 2/13 meeting.**

A list of meeting dates going forward (through 5/29 - will we be done then ??) has been posted on the website using our usual 3 weeks between meetings format – every third Tuesday counting from the first meeting of 2007 (which was 1/2/07, which turned out to be a day off).

As always, the 2/13/07 meeting is in Lukens Building Conference Room B starting at 10:00 and generally lasting till noon. The room is always available to us until 1:00 if we need the extra time. The building receptionist number is 302-395-2600.

A package of comment/response documents and DRAFT 5 of Regulation 1125 will be e-mailed to you at least a week before the 2/13 meeting.

Stay cool.
