

**DNREC - Air Quality Management**

**PUBLIC WORKSHOP NOTICE**

**Multiple Air Regulations Applicable to Facilities that Surface Coat Motor Vehicles or Mobile Equipment**

The Department of Natural Resources and Environmental Control (DNREC), Air Quality Management Section (AQM) will conduct a series of public workshops, one in each county, for the planned adoption of two standards into Regulation 1138, Emission Standards for Hazardous Air Pollutants for Source Categories and the revision of one standard in Regulation 1124, Control of Volatile Organic Compound (VOC) Emissions. The purpose of these regulations is to reduce hazardous air pollutants (HAPs) and ozone precursor emissions. Because all three standards could apply to facilities that apply surface coatings to motor vehicles (including auto body and collision repair shops) or mobile equipment, AQM will present information on all of the standards during each workshop, rather than conducting separate workshops for each different standard.

The purpose of these workshops is to educate the public and affected facilities on the draft regulatory requirements and to receive comments and recommendations to aid in the development of the individual standards.

<b><u>WORKSHOP Agenda (Same for each of the three workshops)</u></b>		
<u>Time</u>	<u>Standard</u>	<u>Affected operations</u>
6:00- 7:00	Section 11 of Regulation 1124 (AQM Contact: Ron Amirikian, 302-739-9402)	Application of coatings that contain VOCs to motor vehicles, mobile equipment, or their components For more information, go to <a href="http://www.awm.delaware.gov/Info/Regs/Pages/AQMPlansRegs.aspx">http://www.awm.delaware.gov/Info/Regs/Pages/AQMPlansRegs.aspx</a>
7:00-8:00	Section 15 of Regulation 1138 (AQM Contact: Jim Snead, 302-323-4542)	Spray application of coatings that contain HAPs to motor vehicles, mobile equipment, or their components For more information, go to <a href="http://www.awm.delaware.gov/Info/Regs/Pages/Section15.aspx">http://www.awm.delaware.gov/Info/Regs/Pages/Section15.aspx</a>
8:00-8:20	Section 13 of Regulation 1138 (AQM Contact: Jim Snead, 302-323-4542)	Paint stripping operations using chemical strippers containing methylene chloride For more information, go to <a href="http://www.awm.delaware.gov/Info/Regs/Pages/Section13.aspx">http://www.awm.delaware.gov/Info/Regs/Pages/Section13.aspx</a>
8:20-9:00	DNREC staff will be available for questions	

<b><u>WORKSHOP Dates, Times and Locations</u></b>	
New Castle County	Tuesday, February 16, 2010 from 6:00 – 9:00 pm DNREC Lukens Drive Office, 391 Lukens Drive, New Castle, DE
Kent County	Thursday, February 18, 2010 from 6:00 – 9:00 pm DNREC Richardson & Robbins Auditorium, 89 Kings Highway, Dover, DE
Sussex County	Thursday, February 25, 2010 from 6:00 – 9:00 pm Delaware Technical Owens Campus, Room 529 in the Carter Partnership Center Georgetown, DE

For additional information on these workshops, please contact the AQM contacts identified above or Kim Chesser, Small Business Ombudsman, at 302-739-9909. The information that will be presented at the workshops, including the draft regulations, can be viewed in advance on AQM regulatory web pages provided above.

**THIS IS THE ONLY TIME THIS NOTICE WILL APPEAR**
