**Subject:** NSR - An Alternate Path - 3/14 Meeting & Response to Comments

The meeting is still on – isn't that a new switch, bet you thought I was gonna cancel it. No Way

DNREC responses to the comments submitted on Draft 4 of the revised Regulation 1125 were posted on the Review Committee website this afternoon. Go to [www.awm.delaware.gov/Info/Regs/AQMNSR.htm](http://www.awm.delaware.gov/Info/Regs/AQMNSR.htm) and scroll down to the heading DNREC Responses to Stakeholder Comments (above).

We will spend most (if not all) of the 3/14 meeting time going over the comments and responses. They are all on the table for discussion. I also have a lot of internal DNREC comments which I will try to share with you if time permits.

We decided that it might be counterproductive to prepare a new Regulation 1125 draft until we can agree on the comment responses.

Remember, we are in the lunchroom conference room from 10am till noon. To get to it, go down the hall past Conf Room B (our old stamping grounds) into the lunch room and turn right into the conference room.

See you there.
