Attention: Robert F. Oranzi
Manager, Environmental Services

SUBJECT: Cancellation of Facility Air Permits:
APC-82/068-Operation (A1) - Boiler No. 3
APC-82/094-Operation (A1) - Boiler No. 4

Dear. Mr. Oranzi:

The Department accepts the cancellation request dated February 24, 2010 as formal notification to cancel the following Permits, related to DuPont Stine Haskell Research Center facility, located at 1090 Elkton Rd. Newark, DE 19714:

Permit: APC-82/068-Operation (A1) - Boiler No. 3

Permit: APC-82/094-Operation (A1) - Boiler No. 4

Operation of this equipment after the date of this letter shall constitute a violation of 7 **DE Admin. Code** 1100.

These two permits will be deleted from the **Title V Permit Renewal: AQM-003/00279(Renewal 2)**.

Please contact Lupe Reynolds at (302) 323-4542 if you have any questions or concerns.

Sincerely,

Paul E. Foster, P.E.

MEMORANDUM

TO: Paul E. Foster, P.E.

THROUGH: Everett L. DeWhitt, PhD.

FROM: Lupe Reynolds

SUBJECT: Cancellation of Facility Air Permits:
APC-82/068-Operation (A1) - Boiler No. 3
APC-82/094-Operation (A1) - Boiler No. 4

DATE: March 1, 2010

BACKGROUND

On February 26, the Department received a letter from DuPont Stine Haskell Research Center, signed by Robert F. Oranzi, Environmental Manager, indicating that Boilers No. 3 and No. 4 are inoperable and beyond repair. Therefore, the Company requested to cancel the operating permit or these two boilers:

Permit: APC-82/068-Operation (A1) - Boiler No. 3

Permit: APC-82/094-Operation (A1) - Boiler No. 4

RECOMMENDATION

I recommend sending the attached letter to the Company, confirming that the Department is cancelling the two permits related to Boilers No. 3 and No. 4 and deleting them from **Title V Permit Renewal: AQM-003/00279(Renewal 2)**.
