

DNREC/DIVISION OF AIR QUALITY

LEGAL NOTICE

PUBLIC HEARINGS

The Department of Natural Resources and Environmental Control (DNREC) will conduct public hearings on two proposed amendments to Delaware **7 DE Admin Code 1125 Requirements for Preconstruction Review**. These amendments will (1) add federal rule language to temporarily exempt from new source review permitting facilities emitting biogenic sourced carbon dioxide, such as landfills and (2) improve the ability of existing Delaware stationary sources and new sources to acquire required emissions offsets.

These two public hearings will be held in succession, in the order shown above, on Thursday September 27, 2012 beginning at 6:00 PM in the DNREC Richardson & Robbins Building Auditorium, 89 Kings Highway, Dover, DE. Persons interested in one or both of the hearings should arrive by 6:00PM, as these changes are expected to be non-controversial and the hearings may progress quickly.

The proposed amendments may be inspected at the Department's Division of Air Quality (DAQ) office at 715 Grantham Lane, New Castle, or in the September 1, 2012 edition of the Delaware Register of Regulations, available online at <http://regulations.delaware.gov/services/register.shtml> or on line at <http://www.dnrec.delaware.gov/whs/awm/Info/Regs/Pages/AQMPlansRegs.aspx>

The proposed amendments also may be inspected at the DAQ Dover office. Please call David F. Fees in Dover at (302) 739-9402 to schedule an appointment to review the proposed amendments in Dover at the the Blue Hen Corporate Center, Suite 5N, 655 South Bay Road (on South Rt. 113 across from the DelDOT Administration Building).

Interested parties may submit comments in writing on these proposed amendments prior to the hearings, as noted below, or statements and testimony may be presented either orally or in writing at the September 27, 2012 public hearings. It is requested that those interested in presenting statements at the public hearings register in advance, and that written statements and comments be addressed to:
