

Delaware Technical & Community College

Jack F. Owens Campus

A Guide to Getting Around the Owens Campus

Located in the heart of Sussex County in Georgetown, Delaware, the Owens Campus is conveniently situated at the intersection of Route 113 and Seashore Highway, Route 18/404. The 147-acre campus includes the William A. Carter Partnership Center, which houses Delaware Tech, Delaware State University, University of Delaware, and Wilmington University programs. In addition to serving as the county hub for higher education, the campus hosts many recreational, community, and cultural events.
