

DNREC/Air Quality Management

LEGAL NOTICE

The Secretary of the Department of Natural Resources and Environmental Control has signed Secretary's Order No. 2011-A-0046, amending Regulation 1138 – EMISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS FOR SOURCE CATEGORIES. This amendment, which amends Section 8, makes Delaware's Regulation 1138 consistent, where appropriate, with recent changes to the federal requirements applicable halogenated solvent cleaning operations (40 CFR Part 63 Subpart T). The purpose of the amendment was to incorporate the facility-wide halogenated solvent emission limits to protect public health with an ample margin of safety. The effective date of the amendments to Section 8 of Regulation 1138 is December 11, 2011.

Final revised Section 8, the Secretary's Order, and the Department's public hearing materials are available for public inspection at the Department of Natural Resources and Environmental Control's offices at the Blue Hen Corporate Center, 655 S. Bay Road Suite 5N, Dover and at 715 Grantham Lane, New Castle. This information can also be obtained from the Department's regulatory website <http://www.dnrec.delaware.gov/whs/awm/Info/Regs/Pages/Section8.aspx>. For additional information, please contact Jim Snead, in New Castle, at (302) 323-4542.
