Subject: NSR - An Alternate Path - Next Meeting of Review Committee

OK, Guys and Gals, the next meeting of the FEL Review Committee is now set **irrevocably** for Tuesday March 6 in the Lukens Building Conference Room B from 10 am till noon. We have the room reserved till 1pm and since it has been a while since we have met, we got a lot to talk about and could well go up to 1pm.

I will soon (at least a week before the meeting) send you copies of all the comments we received and our responses to these comments as well as a new draft (Draft 5) of the revised Regulation 1125. I used "Track Changes" so you can follow the changes from Draft 4 to Draft 5.
