Route 5 Solid Waste Transfer Station

Prepared By:
DELAWARE SOLID WASTE AUTHORITY
1128 S. Bradford Street
Dover, Delaware 19903

Delaware Department of Natural Resources and Environmental Control
Solid & Hazardous Waste Management Branch

Solid Waste Management Facility Application

Please type or print all information

1. Facility Permit Information: (if applicable)

A. Permit Number: SW-03/02

B. Date of Expiration: September 6, 2013

C. Are you requesting any changes to the conditions required by the current solid waste facility permit?
 Yes No (If "Yes", please attach the request and supporting documents.)

2. Facility Information:

Facility Name: Route 5 Transfer Station

Street: 29997 John P. Healy Drive

City: Harbeson County: Sussex State: Delaware

Zip: 19951 Phone(s): 302-947-4400 Fax: 302-947-4401

Total Site Area (Acres): 30+ Latitude: 38d40m09s Longitude: 75d13m59s

3. Owner Information:

Owner's Name: Delaware Solid Waste Authority

Contact Person: Logan V. Miller, P.E. BCEE Title: Chief of Facilities Mgmt.

Street Address: 1128 S. Bradford, Street, PO Box 455

City: Dover State: Delaware Zip: 19903-0455

Phone: 302-739-5361 Fax: 302-739-4287 Email: rpw@dswa.com

4. Operator Information:

Operator's Name: Delaware Solid Waste Authority

Contact Person: James Vescovi, P.E., BCEE Title: Facility Manager

Street Address: 28560 Landfill Lane

City: Georgetown State: Delaware Zip: 19947

Phone: 302-875-3448 Fax: 302-875-5204 Email: jv@dswa.com

5. Type of Facility:

- Sanitary Landfill
 Transfer Station
 Thermal Recovery

- Industrial Landfill
 Materials Recovery Facility
 Other _____

6. Types of Solid Waste to be Accepted (check all that apply):

- Municipal Industrial Infectious Other (specify) _____

7. Service Area (political jurisdictions and unincorporated area to be served by the facility):

Southeast Sussex County (Lewes, Long Neck, Milton and Rehoboth Beach)

8. Estimated Quantities of Waste Expected to be Handled at the Facility:

A. Average daily tonnage expected during peak season (may be a range): 100-350 tons

B. Maximum daily tonnage expected: 640 tons

C. Average weekly tonnage expected during peak season (may be a range): 600-2,100 tons

D. Maximum weekly tonnage expected: 3,840 tons

Note: Maximum daily and weekly tonnages must consider operating hours and days specified in Section 11 of this form. Analysis required by the Environmental Assessment must consider maximum expected tonnages whenever estimates of waste handling activity are needed. The Engineering Report required by the DRGSW must indicate the maximum tonnage which the facility is designed to process (per hour/per day).

9. Disposal Capacity of Proposed Landfill Cells (if applicable):

A. Cell Designation: N/A

B. Cell Acreage: _____

C. Cell Capacity (years): _____

D. Cell Capacity (cubic yards): _____

10. Disposal Capacity Remaining in Existing Landfill (if applicable):

N/A

A. Daily Operating Hours (include all time periods when waste may be handled): 6am - 6pm

B. Daily Business Hours (i.e. hours open to the public): 7am - 3pm

C. Days of Operation: Monday - Saturday

D. Operating Days Per Year: Generally 309 depending on holidays. Additional days may be scheduled to meet requirements of residents.

12. Applicant Background Information:

If an Environmental Permit Application Background Statement is required by 7 Del. C., Chapter 79, please complete the Environmental Permit Application Background Statement.

Has an Environmental Permit Application Background Statement been completed and attached?

Yes No

Is any information in the Environmental Permit Application Background Statement considered by the applicant to be confidential? Yes No

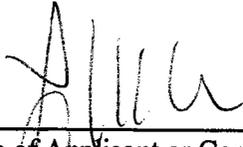

INSTRUCTION: The applicant may claim that some of the information presented in the Environmental Permit Applicant Background Statement is confidential. An applicant wishing to make such a claim should write, preferably in red ink, "claimed confidential information" at each point in the response where such confidentiality is claimed, and provide an explanation of why the release of such information would constitute an invasion of personal privacy or would seriously affect the applicant's business or competitive situation. The confidentiality determination will be subject to the FOIA Regulation, Section 6.

I certify, under penalty of law, that I have personally examined and am familiar with the information submitted in the application and all attachments and that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
