

2006 Updates

Pollution Reduction Management Practices and Regulatory Guidance for Vehicle and Other Salvage Facilities

While most of the information within this booklet continues to be useful as when originally published, there have been changes over the past six years. Some of these changes are important, such as telephone numbers or forms, while other changes are less critical, such as revised organization titles. This page lists these changes and also replaces certain appendices with web links instead.

Updated Phone Numbers	New Phone Number	Affected Page Numbers
Solid and Hazardous Waste Management Branch	302-739-9403	Forward, 5, 22, 23, 26, 28, 29, 31 Appendices: <ul style="list-style-type: none"> • <i>Salvage Yard Self-Inspection Checklist</i> • <i>“Delaware Hazardous Waste Regulations and You”</i> p. 10,11, 13, 20 • <i>“Managing Automotive Maintenance and Repair Waste”</i>, p. 24 • <i>“Conditionally Exempt Small Quantity Generators Program Requirements”</i>
