VOLUNTARY CLEANUP PROGRAM APPLICATION

This Application is designed to assist parties and DNREC in determining whether or not remedial activities are warranted at a site, and if it is necessary to enter into the Voluntary Cleanup Program (VCP). The VCP has been developed so that any party interested in conducting site assessments and/or remedial actions can do so with proper oversight from the DNREC. DNREC will provide oversight as long as it is reimbursed for the cost of its oversight activities. Please submit the completed application and a check for \$5,000.00 made payable to the STATE OF DELAWARE to:
