RE: Pigeon Point Landfill Post Closure Permit Application

Dear Mr. Hartman:

In response to your e-mail request dated April 13, 2007, Delaware Solid Waste Authority hereby submits the following:

- 1) Three (3) copies of the January 8, 2007 submittal package.
- 2) Three (3) copies of the following items regarding ownership of Pigeon Point Landfill:
  - a. Revised drawing entitled "Deed Composite and Topographic Overlay – Pigeon Point Landfill" which corrects the tax parcel information on the southwest corner of the site. This replaces the drawing of the same title, which was submitted in the original Application Package (April 26, 2006) in Appendix 4.
  - b. A description of tax Parcel #1001600009.
  - c. The deed for tax Parcel #1001600009.
- 3) Three (3) copies of the drawing "Figure 2 – Proposed Final Grading Plan – Revision of 12 September 1980 Grading Plan". This drawing has improved text quality and replaces the drawing of the same title, which was submitted in the original Application Package (April 26, 2006) in Appendix 3.
- 4) Two (2) compact disks containing items 1, 2, and 3 listed above.

Please feel free to contact me if you have any other questions or requests.

Sincerely,

Richard P. Watson, P.E., DEE  
Chief Engineer
