

APPENDIX 10 – POST CLOSURE CARE PLAN

EXHIBIT 14 - CONTINGENCY PLAN

EMERGENCY INFORMATION

Emergency information will be located onsite at the Delaware Recycling Center administration building and offsite at the Cherry Island Landfill office building. Information to be present should include a copy of this Contingency Plan and the Emergency Phone Numbers List.

RESPONSIBILITIES

It will be the responsibility of either DSWA or the City of Wilmington, i.e. whomever is using or controlling access to the Pigeon Point Landfill site, to ensure that the Contingency Plan is followed and kept up-to-date as necessary.

REPORTING

It will be the responsibility of either DSWA or the City of Wilmington, i.e. whomever is using or controlling access to the Pigeon Point Landfill site, to ensure that the reporting of emergency events is done in accordance with this Contingency Plan.

FIRE

In the event of a fire, the following actions should be taken:

- Cease all operations and evacuate the area of all unnecessary personnel.
- Eliminate all ignition sources.
- Stop the flow of vehicles into the area and have vehicles in the area exit immediately.
- Notify the DSWA, the Fire Department, and DNREC. (See **Attachment 1 - Emergency Phone Number List**)
- After the event is over, complete an accident/incident report and place it in the Post Closure Care file.

PERSONAL INJURY

In the event a person becomes injured or ill, the following actions should be taken:

- Provide first aid, if trained and able and seek medical attention if necessary.

- Notify the DSWA and call 911 if necessary.
- After the event is over, complete an accident/incident report and place it in the Post Closure Care File. (See **Attachment 1 - Emergency Phone Number List**)

ACCIDENT

In the event of an accident (without personal injury), the following actions should be taken:

- Cease all operations and/or activities in the area of the accident and evacuate the area of all unnecessary personnel.
- Stop the flow of vehicles into the area.
- Notify the DSWA and the Police. (See **Attachment 1 - Emergency Phone Number List**)
- After the event is over, complete an accident/incident report and place it in the Post Closure Care File.

ENVIRONMENTAL

In the event of an environmental incident, which causes an impact on land, air, or water, the following actions should be taken:

- Cease all operations and/or activities in the area of the incident, which is the cause of the problem, and evacuate all unnecessary personnel.
- Secure the area from any vehicular traffic.
- Notify the DSWA and DNREC (see **Attachment 1 - Emergency Phone Number List**).
- Implement appropriate containment and cleanup activity as required.
- After the event is over, complete an accident/incident report and place it in The Post Closure Care File.
