

# Ride-and-Drive Vehicles

The following vehicles will be on display and accompanied by a knowledgeable representative. Registered participants will have the opportunity to ride in or drive many of the vehicles. In order to test drive a vehicle, you must sign a waiver and show your driver's license to one of the volunteers at the event registration table.

Eastern Shore Coffee will provide free coffee, and water will be provided by Sharp Energy, to fuel you while you learn about fueling your fleet.
