Start Action Notice

2012-04

1. Type of Action

Revise the *Regulations for the Green Energy Program* (Regulations) to establish new procedures for implementing the State Green Energy Fund.

2. Purpose of Action

The State of Delaware Green Energy Fund was created by House Bill 10 in 1999 as part the deregulation of Delaware's electric utilities. Currently, the program regulations need to be revised due to changes to the program required by the recent legislative updates enacted by S.B. 266 in 2010. Additionally, revisions to the Green Energy Program regulations are needed to streamline the Green Energy Program requirements to increase process efficiency.

3. Statutory Basis

Green Energy Fund pursuant to 26 Del. C. Ch. 10, Section 1014 and 29 Del. C. Ch. 80, Subchapter 2, the Delaware Energy Act

4. Likely Affected Public

Prospective purchasers of renewable energy systems, solar, wind, and geothermal contractors and installers, electrical contractors, laborers.
