

APPLICATION FOR AN ANNUAL DELAWARE SCIENTIFIC COLLECTION PERMIT*

The information detailed below must be filled in as completely as possible before any scientific collection permit will be issued. Note the reporting requirements at the end of this form. Please return the completed form to the Scientific Collection Permit Program, Division of Fish & Wildlife, 89 Kings Highway, Dover, DE 19901 or by email to rebecca.hoover@delaware.gov. For questions, you may call (302) 739-9914.

*Note: A Federal Permit would be required in addition to a State permit to collect migratory birds/birds of prey or an endangered species.

2.		
3.		
4.		
5.		

Approximate Numbers of Each Species to be collected & to be sacrificed:

Species	Number Collected	Number Sacrificed

Disposition of Sacrificed Animals by Species:

Frequency of Reporting to the Director of Fish & Wildlife shall be on an annual basis. You may request differently, if needed, and your request will be considered. Depending on the purpose & details of collecting, we may require more frequent reporting, which you will be made aware of at issuance of permit.

Annually Each trip Quarterly Monthly Other (specify)

Reports for collecting birds, game animals, shellfish, and fish from non-tidal areas should include, as a minimum, numbers and species of fish or wildlife caught by gear type, effort employed and numbers of fish or wildlife sacrificed. Published study reports may be submitted for the above in order to avoid duplication of reporting. Said reports must be submitted to the Division Director, care of: **Scientific Collecting Permit Program, Delaware Division of Fish and Wildlife, 89 Kings Highway, Dover, DE 19901** or by email to rebecca.hoover@delaware.gov within 30 days of the expiration date of the permit. Reporting requirements are standardized for those collecting fishes in Delaware tidal waters.

Changes in sampling gear or schedule that would result in significant differences in anticipated catch or effort should be reported in a timely fashion to the Division of Fish & Wildlife, 89 Kings Highway, Dover, DE 19901, or by email to rebecca.hoover@delaware.gov.

I have read all of the above information on the application for a Delaware Scientific Collecting Permit and agree to abide by all of its provisions.
