The DuPont Nature Center's Seventh Annual

Peace, Love & Horseshoe Crab Festival

Saturday, May 21st, 2016
10am–3pm

Interested in volunteering? Here's how!

1. Check out the list of volunteer positions and shifts below and on the back of this sheet.
2. Email or call Lynne Pusey with your top 1 or 2 choices, your t-shirt size and your contact information. Be sure to include which shift(s) you will be volunteering for. Contact Lynne at lynne.pusey@state.de.us or at 302-422-1329.
3. That's it—it's that easy! You will be contacted to confirm the position(s) and shift(s) you have signed up for. Please contact Lynne Pusey with any questions.

Volunteer Shifts

DuPont Nature Center
AT THE MISPILLION HARBOR RESERVE

Volunteer Positions

Information/ Passport Station	* Volunteers at this station will greet guests and provide information/directions to activities and stations. This is also the station where volunteers sign in. * Children will be given passports to get stamped at each EcoStation. Volunteers at this station will hand out passports and provide prizes to children who return with completed passports. Prizes are determined using a Plinko board.
EcoStation Attendants	EcoStation Attendants assist with education EcoStation activities that range from touch tanks to horseshoe crab anatomy to bird I.D. and casting. Volunteers at these stations will assist children and adults with the educational activities and will stamp the kids' passports after they have completed the station.
T-shirt Sales	This station will be outside under a tent and involves cash transactions only for the sale of festival t-shirts.
Nature Center Attendant	Greet and interact with guests inside the nature center as they visit the educational exhibits.
People Mover Attendant	Assist guests on and off the people mover wagon and supervise the waiting area. There will be one attendant at the boat launch parking lot and one at the nature center lot.
Traffic Control/Parking	Direct incoming traffic into the Cedar Creek boat ramp parking lot where they will be shuttled to the center by the People Mover.
