

Take A Kid Fishing! Programs

With the Delaware Division of Fish and Wildlife's Aquatic Resources Education Center

The Division of Fish and Wildlife provides free opportunities for kids to learn about the relaxing sport of fishing. We feature activity stations, prizes, plus the opportunity for your child to fish. Come spend some quality time with your family at one of our beautiful ponds! All equipment is provided.

You can learn about:

- ◆ Getting started
- ◆ Fishing tips
- ◆ Where to fish
- ◆ What gear you would need to fish on your own

Kids fishing programs are available on:
