MIDLANDS WILDLIFE AREA**

Persons may hunt on the Midlands Wildlife Area only as directed by the following rules, which have been established by Regulation 25 of the Division of Fish and Wildlife, pursuant to Section 103, 7 Delaware Code.

Violators of wildlife area regulations may be subject to fines and/or revocation of their hunting privilege on state wildlife areas for up to one year.

NEW IN 2015 – The water control structure installed on English Road in 2014 works great. The trees planted along the fields are thriving. Pine plantations (650 acres) along Jones Store and Phillips Hill Roads were thinned to improve wildlife habitat. A new 900 acre tract was added to the area. See new map titled Midlands West. Some areas may be closed to allow mentored hunting opportunities.

- C. UPLAND GAME HUNTING** – Upland game hunting closed during the December and January firearm deer seasons. Turkey hunters must obtain a permit through a state lottery for Midlands Wildlife Area.
