ROBERT L. GRAHAM - NANTICOKE WILDLIFE AREA
REGULATIONS FOR THE USE OF THE MULTIPLE USE TRAIL

This map shows the location of the Multiple Use Trails and roads open to horse riding on the Area. Horse-riding is permitted on all roads open to vehicular traffic on State Wildlife Areas. Designated trails are laid out to **avoid**: 1) **habitats critical** to the perpetuation of several known species of **rare and endangered plants** (e.g., *box huckleberry*, *wild lupine*) and animals (e.g., *frosted elfin*, *Hessel's hairstreak*, *mud salamander*, *Delmarva Fox Squirrels*), 2) **dove hunting fields**, 3) **deer stands**, and 4) **wildlife food and cover plots**.

It is hoped that these regulations will protect the natural resources and provide you with an enjoyable ride.

- A. The **Multi-Use Trail** allows **hikers, bicyclists, and horse-riders to travel together** along designated trails, generally routed around the perimeter of the public land.
- B. The **Multiple Use Trail is laid out to provide a loop between the Phillips Landing and Old Sharptown Roads.**
- C. The **Main Road is open to both traffic and horse riding.**
- D. **Use of the Multiple Use Trail is subject to the following restrictions:**
 - 1. **Closed during the hunting season** (Sept. 1 - the end of the Cottontail season, e.g., Feb. 28 in 2012). The trail will also be closed during Spring Turkey season (usually the last two weeks of April to the end of the second week in May).
 - 2. **Trail is open on Sundays at all times of the year.**
 - 3. **No riders will enter areas other than the multi-use trail** marked with appropriate signs, or roads open to vehicular travel.
 - 4. Riders will **confine their travels to the immediate trail**, without entering fields, woods, or road edges.
 - 5. **Bicyclists will yield the right of way to horse-riders; horse-riders and bicyclists will yield the right of way to pedestrians using the trail.**
 - 6. Riders will be responsible keeping the trail clear of trash and fallen limbs, and debris.
 - 7. **Horse trailers and vehicles will be parked in such a manner as to not obstruct other** vehicular traffic along other roads and maintenance access points.

For further information, contact the Division of Fish and Wildlife, Dover, Delaware, 19901, (739-9912) or the Assawoman Wildlife Area at (302) 539-3160.
