GENERAL RULES

All parts of temporary portable deer stands must be removed within 48 hours of the last day of the last deer season. Any stands remaining after this date will be removed and become property of the Division of Fish and Wildlife.
5. The Division is not responsible for theft or damage to any temporary stand and placement of a temporary stand does not give the stand owner any exclusive hunting rights to that area.
6. Deer drives are permitted between the hours of 9:00 AM and 3:00 PM. No more than 6 resident hunters may participate in deer drives. Non-resident hunters are prohibited from participating in deer drives.
