

HAVE YOU SEEN SHOREBIRDS BANDED LIKE THESE?

If you have seen a shorebird that's been banded with an inscribed flag as above, please send in your observations and make an important contribution to Delaware Bay shorebird research and conservation.

What information is needed?

- Location of sighting (please be as specific as possible)
- Date
- Species
- Band and Flag information:
 - Flag color and code (most important)
 - Band colors
 - Band and flag positions(Example Right: Upper Left Leg: Red Band; Lower Left Leg: Blue Band; Upper Right Leg: Lime Flag with "AB" code; Lower Right Leg: Metal USFWS Band

- or
R/B:FL(AB)/M
- Flock size of the species with a flagged individual (useful if known)

In return for submitting this data, you will be sent information on when and where the bird was caught and banded.

Please send your observations (email preferred) to:
