<u>Focus Questions for Each Topic Table</u>	
What specific comments/suggestions do you have on the approach we presented to identify/update the 2015 Element?	How could the WAP be improved in general? (if time left)
What do you want to see in the WAP on this topic? What do you not want to see in the WAP about this topic?	Please provide any info or links to any of your program info you want considered/incorporated in the WAP.

As additional ideas, plans, and questions arise, please email them to

DEwildlifeactionplan@gmail.com.

In order to contribute further to the DE WAP 2015 enhancement and development process, please complete the DE WAP survey at www.surveymonkey.com/s/RLHDRFH and check the website periodically for updates. www.dnrec.delaware.gov/fw/dwap/

Thank you so much for sharing your time and expertise!
