

DELAWARE OUTDOORS: BUILDING AN OUTDOOR LEGACY

2013-2018

Statewide Comprehensive Outdoor Recreation Plan

Park Resource Office

Susan Moerschel, Program Manager

Kendall Sommers, Outdoor Recreation Planner

Division of Parks and Recreation

Charles A. Salkin, Director

Matthew P. Chesser, Administrator, Planning, Preservation and Development Section

Department of Natural Resources & Environmental Control

Collin P. O'Mara, Secretary

Delaware Outdoors: Building an Outdoor Legacy is made possible by a Federal Land and Water Conservation Fund grant through the National Park Service. The Plan is supported by assistance of 21st Century Funds – investments in Delaware’s future. The Division of Parks & Recreation, in the Department of Natural Resources & Environmental Control is a state agency dedicated building parks, creating outdoor experiences and nurturing healthy lifestyles.

Acknowledgements

The research, writing and management of the 2013 State Comprehensive Outdoor Recreation Plan has been overseen by the Park Resource Office, Division of Parks and Recreation, Department of Natural Resources and Environmental Control. Kendall Sommers, Division Planner, conducted the research and is the primary author of this plan. Michael Krumrine, Geographic Information Specialist, provided the mapping and conducted the spatial analysis functions of this document. Susan Moerschel, Chief, Park Resource Office and Bob Ehemann, Grants Coordinator provided direction and editorial functions for this project. Rich Phifer, Land Acquisition Specialist, maintained the outdoor recreation inventory referenced in this document. Ron Vickers, Chief, Land Preservation Office provided an overview of Delaware's open space investments.

We respectfully thank Nemours Health and Prevention Services for their continued partnership. We are grateful for the input from Marina Kaplan and Patti Miller, Nemours Health and Prevention Services, with enhancing the 2011 Outdoor Recreation Participation and Trends Survey.

We are very grateful to the members of the Technical Advisory Committee (TAC) who provided direction in the development of this plan. These experts are committed to quality outdoor experiences, healthy lifestyles, tourism and child advocates.

We thank the 2,064 citizens from around the state who responded thoughtfully to research question from the 2011 Outdoor Recreation Participation and Trends Telephone Survey. We also thank members of conservation and recreation organizations throughout the state who participated in open discussions regarding the development of this document. Public participation was a core component of this plan.

Delaware Association for Environmental Educators
Delaware Children in Nature Task Force
Delaware Council on Greenways and Trails
Delaware Coalition for Healthy Eating and Active Living (DE HEAL)
Delaware Greenways, Inc.
Delaware Nature Society
Delaware Recreation and Parks Society
Recreational Trails Advisory Committee
Delaware Wildlands, Inc.
DNREC Planners Technical Advisory Committee

Responsive Management, Inc. was contracted by the Division of Parks and Recreation to conduct the 2011 telephone survey and report. Mark Damian Duda, Executive Director, and his staff provided thoughtful direction in designing the survey and insightful guidance to Division staff in developing the SCORP.
