Carpenter Recreation Area

- Is a popular area of the Park, and is the location for large events such as concerts, cross country meets, egg hunts, and CreekFest
- Only fee booth location in the Park (parking in other areas is subject to fees, just with no attendant/cashier)
- Area includes bathroom facility, playground, pavilion, bandshell, and the largest parking lot in the Park (approx. 120 spaces)
- Events require overflow parking into the field, and result in vehicular congestion inbound and outbound
