1. Contractor Certification (Blue Card) Courses for 2008

The Contractor's Training course gives an overview of the Sediment and Stormwater Program, its regulations, and required erosion and sediment control measures in the State of Delaware. This course has been scheduled for the following dates in 2008. Please note that the course may be cancelled due to the limited number of participants.

Courses offered in 2008:

February 6

April 16

June 11

August 20

October 8

December 9 (note schedule change, was previously scheduled for December 10 )

Please contact Joanne Gedney by e-mail at [Joanne.Gedney@state.de.us](mailto:Joanne.Gedney@state.de.us) or by phone at 302-739-9921 for registration information. The course fee is \$60, which includes continental breakfast and a course book.

2. Upcoming Regulatory Advisory Council Meeting – March 27, 2008

The Regulatory Advisory Committee (RAC) for revisions to the *Delaware Sediment and Stormwater Regulations* will meet on Thursday, March 27, 2008 from 10:00am until 12:00pm in Rm 220 of the Kent County Administration Building. The purpose of the meeting is to continue the review of proposed changes to the *Sediment and Stormwater Regulations*. RAC meetings are open to the public. To be included on the interested parties list for notification of these meetings and other updates on the revisions to the *Delaware Sediment and Stormwater Regulations*, please send an e-mail with your contact information to [Elaine.Webb@state.de.us](mailto:Elaine.Webb@state.de.us).

3. Link of the Month

The Environmental Protection Agency has recently put together "manual builder" tool. This tool will allow you to find the best five or six examples of manuals and ordinances from around the country on a wide variety of stormwater management topics, including maintenance. You can use this tool at:
