

DNREC Sediment & Stormwater Listserve Update: April 2010

This month's topics:

- 1. May 5th and September 15th Blue Card Class**
- 2. Technical Advisory Subcommittee for the Regulations Revisions To Meet May 5, 2010**
- 3. Regulatory Advisory Committee (RAC) Meeting Scheduled for May 27, 2010**
- 4. Link of the Month: CSN "From the Rooftop to the Bay" Workshop Materials**

1. Pre-registration Required: May 5th and September 15th Blue Card Class

DNREC will be holding their next Contractor's Certification course (Blue Card) on May 5th and September 9th, 2010 at the Modern Maturity Center (registration required). The Contractor's Training course is a ½-day course that gives an overview of the Sediment and Stormwater Program, its regulations, and required erosion and sediment control measures in the State of Delaware. Please contact Joanne Gedney by e-mail at Joanne.Gedney@state.de.us or by phone at 302-739-9921 for registration information.

2. Next Technical Advisory Subcommittee for the Regulations Revisions To Meet May 5, 2010

The next Technical Advisory Subcommittee for the revision of the Delaware Sediment and Stormwater Regulations will meet on May 5th from 9:00 – 12:00 in the Smyrna-Clayton Room (DelDOT Administration Building).

3. Upcoming RAC Meeting: May 27, 2010

The next Regulatory Advisory Meeting will be held Thursday, May 27th from 9am – noon (location TBD). This meeting will be open to the public. Staff from the Sediment & Stormwater Program will be updating the Committee on the status of the 2nd Draft of the Sediment & Stormwater Regulations. For additional information, contact Elaine Webb by e-mail at Elaine.Webb@state.de.us or by phone at 302-739-9921.

5. Link of the Month: CSN "From the Rooftop to the Bay" Workshop Materials

The Chesapeake Stormwater Network (CSN) recently posted the presentations from their "Rooftop to the Bay" workshop that was held in Staunton, VA from March 9-11, 2010. The materials from this workshop are a wealth of information

on current technology intended to address the many issues associated with stormwater management in the Chesapeake Bay region. The material can be downloaded from the following Web site:
