

Update to Technical Document

Date: June 2014

Article: 4.01.2

Description: BMP Construction Checklists

Synopsis:

The following construction checklists have been added:

- 4.01.2.3 Permeable Pavement
- 4.01.2.4 Vegetated Roof
- 4.01.2.5 Rainwater Harvesting
- 4.01.2.7 Rooftop Disconnection
- 4.01.2.12 Constructed Wetland

All of the previous BMP Construction Checklists had some formatting changes to achieve consistency. The Vegetated Channels checklist (4.01.2.8) was updated to include construction review of an underdrain.
