RE: Request for Confidentiality  
Pinnacle Foods Site  
29984 Pinnacle Way  
Millsboro, DE 19966

Allen Harim Foods, LLC (Allens) respectfully requests that all records received or created by the Delaware Department of Natural Resources and Environmental Control (DNREC) regarding Allen's planned purchase of the above-referenced Site be kept confidential and exempt from 29 Del.C. Ch. 100 (Freedom of Information Act). This includes, but is not limited to, budgetary information, environmental site assessments, and other information disclosed both verbally, electronically, or in writing during workshop meetings with DNREC.

Due to the nature of the poultry industry, Allens believes that disclosure of this information could potentially cause substantial competitive harm to Allens' business and may threaten the planned purchase of the Site.

Please feel free to contact me if you have any questions or concern.

Sincerely,

Henry Quathamer  
Maintenance/Engineering Manager
