Beth B. Sise
Environmental Control Management
Pinnacle Foods Corporation
P.O. Box 625
Millsboro, DE 19966

Dear Ms. Sise,

We have reviewed your request to apply 30 lbs/acre nitrogen and 120 lbs/acre potash on an annual basis. We agree that the addition will result in a net increase in nutrient removal. Therefore, your request is approved as presented.

Please call me at (302)739-5731 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Peder Hansen".

R. Peder Hansen, P.E.
Program Manager
Surface Water Discharges
